COURSE DESCRIPTION:

The course consists of three components: **Aerospace Science** (40%), **Leadership Education** (40%), and **Wellness/Physical Fitness** (20%).

Aerospace Science (AS) 220 Introduction to Global Awareness is a customized course about the world's cultures. The course is specifically created for the US Army, Marine Corps, Navy, and Air Force Junior ROTC programs. It introduces students to the world's cultures through the study of world affairs, regional studies, and cultural awareness. The course delves into history, geography, religions, languages, culture, political systems, economics, social issues, environmental concerns, and human rights. It looks at major events and significant figures that have shaped each region. Throughout the course, there are readings, video segments, hands-on activities, other optional activities, technology enrichment, and assessments to guide in the reinforcement of the materials. **During the Fall semester/block, we cover Chapters 1-3. During the Spring semester/block, we cover Chapters 4-6.**

Leadership Education (LE) 200 stresses communications skills and cadet corps activities. Much information is provided on communicating effectively, understanding groups and teams, preparing for leadership, solving conflicts and problems, and personal development. Written reports and speeches compliment the academic materials. Cadet corps activities include holding positions of greater responsibility in the planning and execution of corps projects. **During the Fall Semester/Block, we cover Chapters 1-4. During the Spring semester/block, we cover Chapters 5-8.**

Wellness/Physical Fitness portion incorporates the Cadet Health and Wellness Program (CHWP). The CHWP is an exercise program focused upon individual base line improvements with the goal of achieving a Presidential Physical Fitness standard calculated with age and gender. The goal of the CHWP is to motivate JROTC cadets to lead active, healthy lifestyles beyond program requirements

and into their adult lives. Cadets will be given the opportunity to put into practice the wellness concepts that are taught in Leadership Education I.

Drill and Ceremonies, cadets will be taught the fundamentals of Drill and Ceremonies. This portion of the course concentrates on the elements of military drill, and describes individual and group precision movements, procedures for saluting, drill, ceremonies, reviews, parades, and development of the command voice. Students are provided detailed instruction on ceremonial performances and protocol for civilian and military events and have the opportunity to personally learn drill. Most of the work is to be hands-on.

CLASS ATTENDANCE, PREPARATION AND PARTICIPATION: Today's workforce does not earn a paycheck unless they show up ready for work. Cadets earn grades commensurate with their class participation and effort. Cadets who are not present or prepared cannot participate fully in class. This is especially key to drill and physical fitness. Class preparation includes cadet adherence to proper grooming standards daily as outlined in Air Force Instruction and school dress code.

TESTS/EXAMS (Major Grade): Two types of major tests/exams will be administered during the course: midterms and finals. Tests will be a comprehensive assessment of all material taught since the last test. These tests will cover the concepts taught in all portions (AS, LE, Wellness) of the AFJROTC I curriculum.

QUIZZES (Major Grade): Quizzes will be administered throughout the course. Quizzes will cover all material taught since the last quiz or test.

QUICK WRITE (Minor Grade): Quick Writes will be administered throughout the course. Quick Writes assignment will cover material taught during the lesson utilizing reading comprehension, writing activities, and critical thinking skills.

UNIFORM WEAR (Major Grade): Uniform wear is a large part of the Air Force JROTC program. ALL cadets are required to wear the appropriate uniform each Wednesday, from the start of the school day until released. Make-up day for excused absences on uniform day is the following Thursday. There will be no uniform make-up for unexcused absences. Failing to wear the uniform all day will result in a "0" (zero) grade for that uniform day. Multiple failures to wear your uniform can lead to disenrollment

from the course. Cadets are required to wear their issued Physical Fitness uniforms on Fridays unless otherwise directed. Failure to turn in uniforms by the end of the course/year will result in an overall "I" incomplete grade for the course and the vice principal notified. Additionally, the student will be placed on the "Fines/Holds" list until the uniforms are paid for/returned.

PT UNIFORM/PARTICIPATION (Major Grade): On Friday PT Days, cadets are graded on the following two items: dress out in appropriate AFPTU/Local Purchase PT Gear and participation in PT activities. Cadets must participate in PT unless they have a written excuse from a parent/legal guardian or doctor in advance. All cadets must dress out in the Air Force Physical Training Uniform (PTU)/Local Purchase PT Gear: AF T-shirt/Orange Local PT Shirt, AF issued shorts or Local PT Black fitness shorts, socks and tennis shoes, OR the AF sweat shirt and pants, socks and tennis shoes. Shorts should be mid-thigh or longer and must be conservative in nature (NO spanx, spandex biker shorts, etc.) and color (black, blue, white, and gray allowed NO pink, purple, neon or blingy shorts allowed). Not dressing out in PTU (IF IT HAS BEEN ISSUED TO YOU), will result in a minimum 25 point deduction out of a 100 points. Additionally, not participating in PT activities will result in a minimum 25 point deduction out of a 100 points. SASI/ASI will be the authority on point deduction.

HOMEWORK/CLASSWORK: Assignments are due at the beginning of the class period, unless otherwise directed or the cadet has an excused absence that day. For excused absences, the assignment will be due on the next class day that the cadet is present. Assignments not turned in on the due date because of an unexcused absence will receive a "0" (zero) grade for that assignment.

COMMUNITY SERVICE: Cadets will have multiple opportunities to perform Air Force JROTC sponsored community service during each semester.

CURRICULUM IN ACTION TRIPS (CIA)/FIELD TRIPS: Throughout the semester, the cadets will have opportunities to participate in school-sponsored activities that serve as an extension of the AFJROTC curriculum. These trips may include Kennedy Space Center, SUN 'n FUN International Fly-In and Expo, etc. Cadets must be in good academic and disciplinary standing to participate.

CLASS BEHAVIOR: The nature of the AFJROTC mission, as well as its high visibility within the school and community, requires its members to adhere to higher standards than might be found among the student population. Inappropriate behavior, in or out of uniform, is prohibited while in participating in AFJROTC. This behavior includes, but is not limited to, consuming alcohol, drug abuse, tobacco use, horseplay, public displays of affection, fighting, disparaging remarks, insubordination, disrespect, verbal threats and physical attacks.
