

## **PARKING AND SEATING INFO:**

### **Graduates:**

**You must be in the auditorium by 5:30 PM!** Please do not be late! Leave yourself time to park and walk!

**Park in the old senior parking lot (on Moss St.) until it is full.** A teacher will be at the gate. All other graduates will park in the open area beside the weight room. Only graduates park here, no guests please! If you are not parking and being dropped off, you still need to go to the OLD senior lot. There will be no other gate open for seniors to get to the gym.

Walk from the parking area, past the weight lifting room, down to the back of the gym and in you go.

### **Guests:**

Everyone who wishes to enter the stadium for graduation must have a ticket!! Yes, children, babies and people in wheelchairs must have a ticket.

### **Guest Parking:**

Guests may either use the east parking lot behind buildings three and four entering from Sumter Street, or they may use the west parking lot, A.k.a. the lower lot, by the current cow pasture, entering from Chester Street by Avante. There will be no entry from Moss Street in any direction. Premium parking is available behind buildings 3 & 4 for \$5 a spot. These can be purchased at the school store.

**Please remind your families to carpool, it will make their walk and our parking much much easier.**

Any elder/handicap guests are urged to use the handicap parking behind buildings three and four, or they can be dropped off behind buildings three and four. We will not provide any shuttle service from the lower lot to the ticket booths.

**Guests must enter by the football gates on either the home or the visitor side. All guests will be seated on the Homeside** so if they enter from the visitor side it will be walking around to the home side of the field past the concession stands.

**Graduation ceremony begins at 7:00pm SHARP. Seating begins at 5:45pm and will close at 6:45.** After the graduates have marched in and are seated the gates will re-open for late-comers who have tickets. Urge your guests to come EARLY so they don't miss the processional walk. They must have tickets!!

Seating will be in the home bleachers and in rows of chairs on the track on the home side. We will have a small area near the gate roped off for our guests who can't walk down the field. All other seating is first-come first serve.

Parking information is located on the back of each ticket to help our guests.

We are expecting a very warm day and we highly recommend guests plan accordingly. They will be facing the setting sun, so sunglasses are a good idea. SGA will be selling water.

**Flower bouquets and Orchid Leis** will be for sale inside the stadium, by the entrance, for families ranging from \$20-\$40 during graduation. A percentage for the proceeds go to next year's senior class.
